Woodstock Chimes® Offers Mother's Day Gifts Under \$10

Precious Stone Chimes bring melodic sounds and serenity to any environment

(Shokan, N.Y.) -- Woodstock Chimes®, a leading manufacturer of precision-tuned windchimes, offers gift-givers a timeless, affordable gift alternative for this Mother's Day -- the **Precious Stone Chimes**. This line features small chimes that are exquisitely designed, combining gorgeous colors and meaningful accents with calming, harmonious sounds, and priced at only \$9.99 each.

"We wanted to create an affordable windchime without compromising the high-quality sound, materials and beauty that our products are so well-known for," says Woodstock CEO Garry Kvistad. "Our **Precious Stones Chimes** line is the result. It is designed to bring glorious sounds and a tranquil feel to any home or garden at a value price."

The line features five windchimes, each with its own beautifully unique stone and interesting story. Available stones include:

- **Amber:** During the Stone Age, Amber stones were considered the tears of the sun, encapsulating DNA, which holds the key to life. This chime is ideal for an individual that hold the key to one's heart.
- **Ebony:** In ancient India, royalty used drinking cups made of ebony because it was considered to be an antidote for poison. Let this chime rid any home and garden of poisonous thoughts and energy.
- **Lapis:** Lapis is known as "the stone of truth and openness." Its meaning resonates with individuals who open their minds and hearts to what life has to offer.
- **Jade:** An important gemstone in Chinese mythology, Jade represents goodness and beauty. Many believe that ground jade was once turned into a potion, which promised immortality. The chime is idyllic for those who wish to hold on to a special someone forever.
- **Rose Quartz:** Known as the heart stone, Rose Quartz opens the heart to give and receive love. This chime promises to bring love and compassion into any welcoming environment.

Each economical chime is small enough to hang almost anywhere, measuring 12 inches in overall length and retailing for \$9.99 ea.
