**Woodstock Chimes® Celebrates 50<sup>th</sup> Anniversary of Peace Sign**  
*Company debuts groovy sounds with symbolic new chimes*

(Shokan, N.Y.) -- Woodstock Chimes®, a leading manufacturer of precision-tuned windchimes, is honoring the 50<sup>th</sup> Anniversary of the Peace Sign with its new *Woodstock Peace Chime™ Series*. The new chimes are made of the highest-quality materials and feature the iconic peace symbol.

“We’re encouraging everyone to celebrate their inner hippie,” says Woodstock CEO, Garry Kvistad. “Having experienced many hippie years myself, it was important to me that we create a series commemorating the universal symbol that is not only powerful, but timeless.”

The *Peace Chime Series* features washed burgundy-finished ash wood accents and a striking flame-finished, stainless steel peace symbol windcatcher. The series features three chimes, ranging from 13" to 28" in length.

As the company created this series, they also reflected on the 40<sup>th</sup> anniversary of the Woodstock Music Festival, established in 1969. The music festival’s mission was to provide “Three Days of Peace and Music,” which was influential in Woodstock Chimes’ choice of the hymn “Let There Be Peace on Earth” as the series’ melodic sound.
