During February's 2007 New York Toy Fair, Woodstock Percussion introduced an exciting line up of new products from its Music Collection, including *Woodstock Bongos*, *Woodstock Mini-Tambourines* and *Woodstock Tone Bars*. The award-winning Woodstock Music Collection makes playing music accessible to kids of all ages and features a wonderful assortment of nearly 100 different musical instruments from around the world.

The new *Woodstock Mini-Tambourines* feature a big sound, but are sized for small hands and available in four bright colors. Made with traditional materials such as natural wood shells and real drumheads, the *Woodstock Bongos* are also custom made for kids, but perfect for any member of the family. Finally, the *Woodstock Tone Bars* are pitched to "D" and "A" in the middle register, falling well within a child's vocal range.
